

**DECLARATION
FOR PATENT APPLICATION**

As below named inventors,

David M. ROCKE;
Blythe P. DURBIN

We hereby declare that our residences, post office addresses and citizenships are as stated below next to our names.

We believe we are original and joint inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled: **METHOD FOR DETERMINING MEASUREMENT ERROR FOR NUCLEIC ACID MICROARRAYS**, the specification of which

☐ is attached hereto.

☒ was filed on September 19, 2001 and assigned Application Serial Number 09/955,663.

We hereby state that we have reviewed and understand the contents of the above-identified specification, including the claims as amended by any amendment referred to above.

We acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, Section 1.56(a).

We hereby claim foreign priority benefits under Title 35, United States Code, § 119 of any foreign applications for patent or inventor's certificate, listed below and so identified, and we have also identified below any foreign application for patent or inventor's certificate on this invention filed by us or our legal representatives or assigns and having a filing date before that of the application on which priority is claimed.
